Materials:

- ✓ pencil
- ✓ Coloured pencils
- ✓ Copies of page 1.

What to do:

- ✓ Join the students in pairs.
- ✓ Give each pair of student's two different cards.
- ✓ Explain the rules:
 - Students must fill in the blank spaces on their cards. So they ask their partner "What's the weather like today?" saying the corresponding colour and number of the blank space they want to fill.
 - The other students look at his / her card in order to find the corresponding colour and number that was said. The student then answer "It's sunny" if there was a sun in that space.
 - Then student who asked for the weather then draws the sun on his / her blank space.
 - The students make turns asking.
 - The game ends when all the blank spaces are completed with their drawings.
